

8x8

8x8 Express

Small business phone system

What is 8x8 Express?

8x8 Express is a complete modern small business phone system that lets you connect virtually with customers, coworkers and partners. Chat, text, call and meet all from one app running on any device for one low price.

And because it's in the cloud, 8x8 takes care of ensuring the system is always available and updated with the latest features so that you can focus on more important things, like managing and running your business.

Be up and running in minutes!

That's right ... minutes! 8x8 Express is ridiculously easy to set up and configure. Select a new business phone number or port an existing number over. After a few simple steps, you can begin taking full advantage of the extensive features 8x8 Express has to offer.

Operate from anywhere

Never miss a call or a text. Chat and video conference with customers and enable your employees to work and be productive from anywhere. All using one easy to use app, running on any device.

Enterprise grade reliability

With 8x8 Express, you get enterprise grade reliability at a fraction of the cost. With the best quality of service and service level guarantees in the industry, 8x8 will ensure your system is always up and available so that you don't have to.

Benefits

Save money

All the features of a modern business phone system for far less money. No long term contracts or up front commitments.

Save time

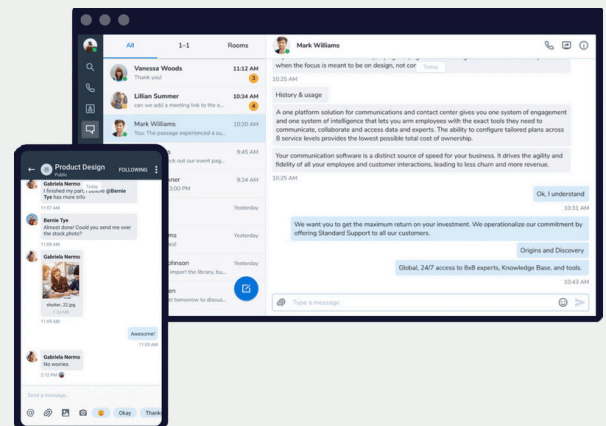

Get up and running in minutes and begin taking calls, messaging, chatting and video conferencing.

Be productive

Call, chat, message and meet from anywhere all using one easy to use app running on any desktop or mobile device.

Stay open

Never miss a call or message. Get enterprise grade reliability and up time for a fraction of the cost.

8x8 Express

8x8 Express helps you serve customers better.

8x8 Express gives your business more ways to connect with customers without the costs, maintenance, and location headaches of managing a traditional phone system. It includes the right blend of features and functionality that small businesses need to outsmart larger rivals, from virtually anywhere. Moving your calls and phone numbers to 8x8 Express is simple and it's ready to use in minutes.
